

Make-ups

Although it is preferable to attend your regularly scheduled class, we do allow 1 make-up each month. The nature of our classes makes it essential to schedule all make-ups in advance and within the month following the missed class.

Termination Policies

In order to remain enrolled in the program, tuition must be paid in accordance with the payment dates on this schedule. When withdrawing from the program it is necessary to inform us in writing two weeks prior to your withdrawal date. If the proper withdrawal procedures have not been followed tuition will be due for the entire term and registration fees will not remain current upon withdrawal.

Returned Check Fee

A \$25.00 check fee will apply to all returned checks.

ADD A SECOND CLASS FOR HALF PRICE

Our classes are offered one or two days a week. Due to the difficult nature of gymnastics, we recommend two day a week enrollment. This enables enough class time to more than adequately cover our lesson plans each term. Our two day a week program offers the second class at ½ price (see tuition rates on reverse side) and allows you to select any combination of class times.
