All-Star Evaluation

Who: Families interested in finding out more about Spirals All-Star Cheer Programs for 2018-2019. Evaluations are for children ages 6 & up.

When: Thursday, May 17th – Evaluation – 6:15 – 8:15 p.m.

What: During these evaluations, participants will learn a small routine that includes basic motions and dance and work on tumbling skills. The participants will demonstrate the routines they learned in a group setting. A written evaluation will be completed by our staff. This assessment will help in determining the best place for each squad member to participate during the competition year.

Why: Families will be able to complete the registration packet and receive the All-Star Handbook. Families will be emailed temporary team placements with information on practice times, payment plans, etc. If you have a scheduling conflict with the evaluation date, please get with the head coach ahead of time to arrange a private evaluation.
