

Make-ups

Although it is preferable to attend your regularly scheduled class, we do allow 2 make-ups per term. The nature of our classes makes it essential to schedule all make-ups in advance and within the month following the missed class.

Termination Policies

In order to remain on the student class roll and enrolled in the program, tuition must be paid in accordance to the payment schedule dates on this schedule. When withdrawing from the program it is necessary to inform us in writing two weeks prior to your withdrawal date. A withdrawal form may be obtained in the front office. If the proper withdrawal procedures have not been followed tuition will be due for the entire term and registration fees will not remain current upon withdrawal.

Returned Check Fee

A \$25.00 check fee will apply to all returned checks.

GUARANTEE

We at Spirals Gymnastics, Inc. feel we offer the very finest Preschool, Tumbling and Gymnastics programs in our area. However, we know that we may not always offer exactly what every child needs at all stages of their development. That is why we are willing to accept 100% of your tuition risk.

If after your child's first month of classes you feel that Spirals does not offer the finest programs of their kind, just contact our office for a full refund of your tuition. No questions asked.

Your volunteer comments and suggestions would, of course, be appreciated.

Summer Flexi Schedule

Our summer schedule allows you to pick the number of weeks you want to attend and only pay for those weeks. In order to take advantage of the flexi-schedule you must choose which weeks you would like to attend and schedule those weeks with us. This allows our students to work around vacation and summer activities. There is a three week minimum enrollment on the summer flexi-schedule plan. Enrollment for our school term begins in July for the upcoming school year and will be different then the times listed in this schedule.

ADD A 2ND CLASS FOR 1/2 PRICE!!

Our classes are offered one or two days a week. Due to the difficult nature of gymnastics, we recommend the two day a week enrollment. This enables our staff enough class time to more than adequately cover our lesson plans each term. Our two day a week program is offered at 1/2 price (see tuition rates on reverse side) and allows you to pick any combination of class times. We understand that busy schedules may not allow you to enroll for two days a week; therefore, once a week is also available.
